

Thank you for trusting me to help make your upcoming vacation memorable. My goal is to take the stress of planning off your shoulders, and leaving you time to relax and enjoy your vacation. **To get started with your trip planning, there is a nonrefundable research fee of \$20. For groups of 8 or more the research fee is \$50.** Once the payment is received, I will get started on creating some amazing travel options for you.

DISCLAIMERS: Business operation days are Mon-Fri from 9am till 5pm (There is a 24hr turnaround for individual to 7 person quotes, and 48hr turnaround for 8+ group quotes.)

Service Terms Do's and Don'ts:

For Flight ONLY quotes, there is a \$20 nonrefundable research fee for up to 4 people, then \$10 per additional person. You can also book flights directly through my website at kerragreen.inteletravel.com.

I DO book Flights/Hotels/Resorts/Spas/Cruises, Excursions and Activities.

I am also able to assist with Financing most trips, if needed. All Finance options are through the UpLift App. Credit will be pulled by a 3rd party company (soft inquiry). Credit score must qualify.

I DO NOT book last minute trips. I must have at least 2 months advanced notice to properly prepare the perfect vacation for you and your loved ones.

Once I start working on your itinerary and we have finalized and made the initial payment, no one other than the Travel Agent is to make ANY ADJUSTMENTS TO THE ITINERARY. If changes are made without the Agent, Kerra Green has the right to conclude the partnership and terminate the agreement. Changes made without the agent will result in Agent not having the proper documentation to dispute if something were to go wrong with your vacation plans.

Corrections will most likely be impossible to be made if this happens.

****FLIGHT PRICINGS ARE NOT GUARANTEED UNTIL A PAYMENT HAS BEEN PAID ON THE ITINERARY.**

Travel Agents do not control Delays, Cancellations, or Flight Changes. This is all controlled by the airlines.

****Upon Booking International Trips a copy of your Passport must be provided to add to your documents.**

When traveling to another country, it is advisable to book trip insurance in case of any medical situations or disruptions to your travel. Another advisable tip is to register your trip in the Smart Traveler Enrollment Program (STEP) operated by the state department.

Travel Documents: Check your passport in advance to make sure the dates are valid. **Do not forget it – you can't fly without it** - When you travel, keep it with you in your carry on.

****You AGREE that YOU and ALL travelers accommodating you, have a valid US passport with an expiration date greater than 6 months from time of travel if traveling internationally.****

****By sending your payment, you are confirming agreement to all of the terms listed above.****
